

## **Et Fille 2022 STEM & root Willamette Valley Pinot Noir**

Our roots are in STEM (Science, Technology, Engineering, and Math). Et Fille, which means “and daughter”, was co-founded by a software engineer dad and biotechnology daughter who shared a passion for winemaking. We believe that STEM education has the power to create a better community for all of our children. A portion of proceeds of STEM & root Willamette Valley Pinot Noir goes to support Adelante Mujeres Chicas STEM Program, committed to empowering Latine youth and young women by providing culturally responsive hands-on STEM experiences.

Vintage: 2022  
Varietal: Pinot Noir  
Alcohol: 13.9%  
TA: 5.5  
pH: 3.72  
Appellation: Willamette Valley (Dundee Hills)  
Harvest: October 11-12, 2022  
Production: 49 cases

Jessica's Notes: This is a robust and structured Pinot Noir, with an aroma of sweet cherry, floral, and a touch of mint. The palate of cherry has a great deal of tannin structure and softens as it is open.
