

Et Fille 2022 Eola Springs Vineyard Chardonnay

Our 2022 Chardonnay from Eola Springs Vineyard in the Eola-Amity Hills AVA is a bright Chardonnay fermented in oak. We think what makes this Chardonnay unique is that it is from an extremely cool single vineyard with exposure to winds from the Van Duzer Corridor of the Willamette Valley, allowing fruit, acidity, and minerality to shine.

Varietal:	100% Chardonnay
