

### **Et Fille 2022 Willamette Valley Chardonnay**

Our 2022 Chardonnay from Eola Springs Vineyard in the Eola-Amity Hills AVA is a clean and bright Chardonnay fermented entirely in stainless steel. We think what makes this Chardonnay unique is that it is from an extremely cool single vineyard with exposure to winds from the Van Duzer Corridor of the Willamette Valley and that we ferment it entirely in small lot stainless steel, allowing pure fruit and minerality to shine.
