

Et Fille 2023 Willamette Valley Chardonnay

Our 2023 Willamette Valley Chardonnay is a clean and bright Chardonnay fermented entirely in stainless steel. We think what makes this Chardonnay unique is that it is from an extremely cool single vineyard with exposure to winds from the Van Duzer Corridor of the Willamette Valley and that we ferment it entirely in small lot stainless steel, allowing pure fruit and minerality to shine.

Varietal:	100% Chardonnay
